In forwarding the enclosed copy of the petition, dated 17th July 1920, from the Medical Students of the Final Year together with a copy of the petition dated 3rd August 1920, from the other students of the Mysore Medical School, Bangalore, requesting for reasons given therein to enhance their stipend from Rs. 15/- to 20/- per mensem, I have the honour to recommend that, as the Government of His Highness the Maharaja of Mysore, have been pleased to sanction a local allowance for all ministerial officers including menials, on account of high prices in food stuffs and other conditions of the State, a local allowance of Rs. 5/- per month may be kindly sanctioned to these students from 1st July 1920, until at least a Government Hostel is opened for them. Subject

Requesting sanction for the grant of Local allowance of Rs 5/- for the Medical Students Studying at the Local Medical School.

6

Letter dated 17th July 1920, from the Medical Students, Victoria Hospital, to the Senior Surgeon to the Government of Mysore, Bangalore, forwarded through the Principal, Medical School, Bangalore, in his No. 33.

****

We the Medical Students of the final year of the Mysore Medical School, Bangalore, beg most respectfully to bring a few lines before your kind notice for your favourable consideration.

2. It is not a new information to state that the life in Bangalore is becoming costlier day by day. Since most of us stop in Hotels, we have to pay Rs. 14/- for two bare meals; as for the simplest tiffen that we could get in Clubs, we will have to pay not less than 4 annas a day. When so much is spent over the above two items, one could easily picture in his mind how much to be spent for dress and other contingencies.

3. At the same time, we beg to state that the Government are not blind to the difficulties of their students and subordinates in other departments. Scholarships and payments have been increased to redress their sufferings. Scholarships have been increased to Rs. 25/- in the Engineering College, Permanent way inspectors and in Art Colleges. So we humbly request our kind and considerate Senior Surgeon to recommend to the Government to enhance our stipends from 15/- to Rs. 20/- and try to alleviate most of our pecuniary difficulties.
